

YOUR FAMILY RESPONSIBILITY AT CBC

One avenue of our outreach is our internet ministry. Our websites are: www.centralbaptistocala.org. Most of you with computers have visited it. The website www.sermonaudio.com/centralbaptist is our second site. It is from this site that we have our downloaded sermons. The second site is a site that we buy from www.sermonaudio.com. If you typed in this last website, you would not go to our site. It would take you instead to their main page. To get to our page one must add */centralbaptist*. However, if you go to their main page you'll see sermons from many different sources. Some are Calvinistic. Some are, instead of Calvinistic, good sound doctrine. They will have listed "Today's Featured Sermon." It stays there for 24 hours. It'll then move down the list for the next seven days on the main page. On average, this page is viewed around the world by over 850,000. In one month it averages over 27 million views. It is listed to have nearly 12,000 speakers and has 1.3 million downloads per month. For us to be featured on their main page it cost \$150 for the twenty four hour period. Sermons listed on the side of the page are called "Text Featured" and cost \$30 per day. We normally have at least three features in a year. In five years on this website through sermon audio, we've had 400,000 different computers around the world view our site with over 200,000 down-loads. We've been downloaded in at least 156 foreign countries and all fifty states of the U.S.A. We've heard from missionaries and then others who repented from backsliding or got saved listing to our broadcast, which is a 15 minute daily broadcast. Some made decisions listening to one of our featured sermons. If you'd like to sponsor a sermon, Go to www.sermonaudio.com/centralbaptist site and click on the sermon you want to feature. It may be a sermon you heard in church and think, "Everyone needs to hear this." Click on to the sermon and it'll take you to a separate page. On a blue line you will see in small print "text feature" [that is the \$30 one] and **feature sermon**, that is the \$150 one that gets all the exposure. Click on and follow the instructions to feature it. You will need a credit card. Will you make this a family responsibility for yourself at CBC?
